The popular refrain that observations are theory-laden does not mean that they are theory-determined. Love allows people their freedom. They get picked up by a guy in pick up truck, who has them all sit in the back row with one of them holding the baby. TABoult. Odd novel about people with magical powers who are the only ones aware of the fact that the Earth has been invaded, and the only ones with the power to do anything about it. Eagles Official Sponsor. Nevertheless, it is not sufficient merely to make the information processing task tractable - to be educationally effective, the information a learner extracts must be thematically relevant.
